

MODERNIZING SRI LANKA'S EPF MANAGEMENT SYSTEM/使斯里兰卡的公积金管理制度现代化

BECOME A SYSTEM INTEGRATOR FOR THE DESIGN & IMPLEMENTATION OF A NEW EMPLOYEES' PROVIDENT FUND (EPF) MANAGEMENT SYSTEM

PROJECT BACKGROUND/项目背景

斯里兰卡政府（GoSL）将通过斯里兰卡中央银行（CBSL）招标设计和实施现代雇员公积金（EPF）管理系统。作为印度最大的退休基金，拥有4.2万亿卢比的资产和2150万个会员账户，EPF需要尖端的IT基础设施来提高运营效率、安全性和服务交付。

新系统将取代现有的AS/400平台，该平台自1998年开始运作，它将提供一个全面、可扩展和集成的数字解决方案，能够处理高交易量、实时融资报告、投资管理和增强的会员服务。该项目预计耗资521.8万美元，包括估计的支持和维护费用，将通过国际竞争性招标程序授予。

这一举措为IT服务提供商提供了一个令人兴奋的投资机会，可以与CBSL合作，使斯里兰卡的EPF基础设施现代化，实现无缝的数字交易、自动化流程和改进的利益相关者参与。

INVESTOR HIGHLIGHTS/投资者强调

High Value Project/高价值项目

Backed by the Government of Sri Lanka and the CBSL, Ensuring Long-Term Stability and Guaranteed Funding

Competitive Bidding/竞争性招标

Open to Global IT Service Providers, Fintech Firms, and System Integrators with a Transparent Selection Process

Part of a Broader Government Initiative to Digitize Financial Services and Improve Efficiency in National Fund Management

PROPOSED OPPORTUNITY/提出了机会

OSL Global (Pvt) Ltd is pleased to present an excellent opportunity to **Become System Integrator for the Design & Implementation of a New EPF Management System** to the international business community as appropriate.

OSL, having understood this opportunity instigated a parallel process to obtain the buy-side mandate from suitable investors/partners without overstepping the mandate and the rights of the transaction advisor and their client.

We assist potential partners by providing them with advanced information necessary for making informed strategic decisions and/or conducting buy-side due diligence. We offer prospective investors/partners insights into sector/country performance and financial highlights related to the asset, enabling them to make well-informed investment decisions. Upon receiving a buy-side mandate from you, we will provide the aforementioned services only on a success-fee basis.

REQUEST FOR PROPOSALS (RFP)/征求建议书 (rfp)

- Date to be announced shortly -

WAY FORWARD/前进的道路

预期的资格预审标准和以下关键信息可通过OSL获得，并可通过info@opportunitiesrilanka.com发送正式请求共享

透过此正式申请程序可查阅的资料包括：

- 征求建议书的可能日期 (RFP)
- 新建议制度的范围
- 项目法律框架

这些信息经过精心整理，为潜在投资者/合作伙伴提供有关资格预审标准和基本指导方针的全面见解。有关人士可透过指定的电邮地址提出正式申请，以便迅速及有效地取得指定的资料。

DISCLAIMER/免责声明

Opportunity Sri Lanka (OSL) and its affiliated organizations have a significant track record of assisting both foreign and local entities in securing a wide range of contracts within Sri Lanka. Notably, some of OSL's partners include globally renowned Fortune 500 companies. At any given time, their project pipeline, encompassing investments and tenders, exceeds a substantial One Billion USD, making them a prominent player in the market. OSL boasts the most extensive inventory of business opportunities in Sri Lanka, setting them apart as the market leader in this regard. To facilitate business interactions in Sri Lanka, OSL has established www.opportunitiesrilanka.com, a dedicated digital platform that serves as the exclusive hub for opportunity-related content, independent of advertisements or sponsorships.

As part of their core business operations, OSL Global is actively seeking suitable investors and introducers to assist potential investors in utilizing OSL's services to successfully navigate the bidding process. Importantly, OSL provides its comprehensive services without any upfront fees. Additionally, OSL is capable of introducing international firms with a local presence to carry out specific functions, such as buy-side due diligence, at their standard charge-out rates. To benefit clients of OSL, these services may be offered at a special discounted rate.

While the basic details of the available opportunities are outlined, further information that can enhance the value proposition and maximize profit potential is accessible upon request. However, to ensure the security and confidentiality of sensitive information, OSL follows a Non-Disclosure and Non-Circumvention (NDNC) agreement procedure. This procedure is subject to Know Your Customer (KYC) verification, ensuring that all parties involved adhere to the necessary compliance measures.

WHO WE ARE?

We are a fusion of companies and individuals forming a formidable force to act as a business advisory, policy advocacy group, local representative and a cross-border transaction structuring and investment modelling firm.

It is true that Sri Lanka had to go through a temporary setback due to the forex inadequacy followed by socio-economic unrest experienced by the country. But, it is now on the right recovery path under the new administration with the overwhelming support of the international community including the IMF, World Bank, creditors and long-standing friendly nations.
